

## UNCLE RUSS COFFEE ACADEMY

### ❖ Coffee Cup Tasting (For Beginners)

#### COURSE DESCRIPTION

---

Coffee Cupping is the professional practice of evaluating coffee quality by tastes and aromas of the brewed coffee. In our connoisseur's cup tasting session, you will sample some of the world's most exclusive and luxurious coffees with exotic origins, highly treasured by coffee connoisseurs. The complex aromas and flavours of coffee offer a rich and rewarding moment to the drinker.

This class is held to provide students with coffee tasting experiences, suitable for beginners and experienced coffee tasters who want to expand their coffee horizon and enhance tasting palette with new origin and coffee varieties.
